- Access to best practice thinking, curated articles and creative training initiatives.
- Production of webinars, podcasts, and access to sought after programs.

Our Team of Experts

Jim Tracy, Co-Founder and CEO. As a 40-year veteran of the wealth management industry, Jim is a recognized leader. He has achieved considerable success in growing and building innovative solutions that benefit advisors and their clients. A creative and visionary thinker, Jim has extensive knowledge on industry change and future dynamics.

Mary Deatherage, Co-Founder & President. Mary is a respected industry leader, who previously led a multi-billion dollar team at Morgan Stanley. Her strategic vision and expertise are invaluable assets to the firm. Her success and high achievements as an advisor give her the knowledge and credibility to advise others.

Tara Forrest, Head of Business Management. Tara brings a wealth of expertise in developing and implementing effective business strategies. Her background in operations and risk management add structure and additional capabilities to the group.

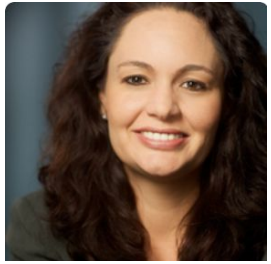
Our Team of Experts

Xcelerate Growth Partners has established strategic alliances with proven industry leaders and experts.

Robert B. Seaberg, Ph. D., Visiting Faculty. "Dr. Bob" began as a Financial Advisor and then moved in strategic marketing directorships. He served with Citi Smith Barney and Morgan Stanley in charge of Wealth Advisory Solutions, and pioneered the use of regional wealth planning centers. He helped develop an industry-leading HNW/UHNW training program, Family Wealth Advisor, and established the Philanthropy program.

Jane Hanson, Communications Coach. Jane is an Emmy Award-winning television journalist and communications coach. Her career began as a reporter and anchor for NBC New York, and today she continues her impact as a media, presentation and executive presence coach and Forbes contributor, where she focuses on business, leadership, and transition.

Our Team of Experts



Krista Sheets, Team Learning Specialist. As President of both Competitive Edge, Inc., and Paragon Resources, Inc., Krista leads with a scientifically-backed assessment aimed at understanding the characteristics of individuals and teams that are building blocks to success. She works with Fortune 500 clients, Wall Street firms, and hundreds of teams in all stages of development to build results-driven solutions.

Melissa Furman, Inter-Generational Specialist. Dr. Furman brings a strong background in business, counseling, and psychology with a passion for workforce, leadership, and professional development. She founded Career Potential to provide speaking, consulting, training, and coaching services. With 20 years of leadership experience and a relatable style, Melissa helps professionals and organizations unlock their full potential.
